DETAILED ACTION

This is a response to the Applicant's amendment submitted on November 1st, 2004. In virtue of this amendment, claim 33 is newly added, and thus, claims 1-33 are currently presented in the instant application.

Allowable Subject Matter

1. Claims 1-33 are allowed.

Reasons for Allowance

2. The following is an examiner's statement of reasons for allowance:

Prior art fails to disclose or fairly suggest:

- A night light and control unit comprising a nightlight housing including an illumination member, and a control unit associated with the nightlight housing for regulating light in a light device connectable to the control unit, in combination with the remaining claimed limitations as called for in independent claim 1 (claims 2-32 are allowed since they are dependent on claim 1); and
- A night light and control unit comprising a nightlight housing including an illumination member, and a control unit associated with the nightlight housing for regulating light in a light device other than the illumination member, the light device being connectable to the control unit, in combination with the remaining claimed limitations as called for in independent claim 33.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
